ABOUT WERC

Wilson Employee Relations Consulting provides comprehensive consulting and contracting labor and employee relations services to employers.

We have over twenty-five years of labor and employee relations experience, including the negotiation and administration of numerous collective bargaining agreements, substantial and significant grievance and arbitration representation and complicated, sophisticated and successful organizational development efforts. We have an impeccable reputation, based largely on fairness, competence, respect and dignity.

Our technical expertise, negotiating skills and respect for others help make workplaces better. Our expertise extends to all facets of employee relations, including organizational development, employee training, employee engagement and workplace culture and communication.

AREAS OF EXPERTISE AND OUR SUITE OF SERVICES

- Development of policies, handbooks, job descriptions and compensation structures – all designed to provide you with the technical tools to manage your workforce and create the workplace environment you desire.
- All facets and phases of collective bargaining with unions and meet and confer discussions with employee groups.
- Workplace investigations
- EEOC responses, FMLA processing, guidance and administration.
- Direct communication with employees regarding expectations.
- Planning and communication with stakeholders, boards, and communities that impact daily functions and missions.
- Guidance on employee disciplinary actions.

The advantages of working with WERC include:

- *Our extremely fair and competitive rates*
- *Honest and accurate assessments of your labor and employee relations needs. You will never be offered services you don't need and you will never be upsold.*
- *Unparalleled interpersonal and industry skills, expertise and experience*
- *Long-term project commitment and follow-through*
- *Our ability to coordinate and partner with owners, managers and Human Resources professionals*
